Memorandum

Date: Friday, November 20, 2020

From: Craig Brace, Administrator/CEO, Audrain County Health Department

To: Mayors, City Councils, Businesses, Organizations, Chambers, and Churches

Subject: Resolution of Endorsement

On Thursday, November 12th, the Audrain County Health Department issued a Mask Advisory to reduce the growing number of COVID-19 cases in our county. If we do not slow the spread of the virus, we risk having our health care systems overwhelmed by COVID-19 patients. This poses a great risk to anyone requiring health care support, including non-COVID-19 health care needs and emergencies.

Until a vaccine is made available to our communities in the coming months, the most effective weapon against COVID-19 remains prevention.

We need your help! We are asking area businesses, city councils, mayors, community leaders, chambers, churches, and community organizations to formally adopt a resolution of endorsement of the ACHD Mask Advisory. Please post a signed copy of the resolution to your Facebook page and/or website. Show your commitment to slowing the spread of the virus. The Mask Advisory and Resolution template has been posted to the ACHD Facebook page and web site.

We can win this fight if we all do our part to encourage the adoption of public health protocols to keep our families, neighbors and customers healthy and safe.

Together We're Strong!
