(Mexico, MO) The Audrain County Health Department (ACHD) COVID-19 Status Update is listed below:

TOTAL CASES	TOTAL ACTIVE	TOTAL NEW CASES SINCE LAST REPORT	7-DAY AVERAGE OF NEW CASES PER DAY	TOTAL ACTIVE PROBABLE CASES FOR UPDATE ¹	TOTAL RECOVERED	DEATHS
1,457	198	6	23.7	120	1,223	36

COVID Cases by City:

Mexico: 147
Vandalia: 15
Centralia: 18

*Note: Cities with less than 10 cases and/or a population of less than 100 will not be reported to protect the identity and privacy of those affected in a specific community. ACHD reporting standards comply with state and national COVID-19 reporting guidelines.

Footnotes:

1. Probable cases are not included in positive case numbers because they do not meet the CDC criteria of a confirmed case. The probable cases ACHD follows are those that have had positive antigen or antibody testing along with being symptomatic and/or having had close contact exposure to COVID-19 or are symptomatic and have had close contact exposure to COVID-19.
2. As a reminder, COVID-19 status updates are reported Monday through Friday. They will not be reported on weekends and holidays as the ACHD is closed. Thank you.
